AM & PM classes

Room 122

Miss Stephanie, Miss Amy, Miss Kathy
Morning Sessions
9:15-11:45 AM

Miss Dianna, Miss Stephanie, Miss Amy
Afternoon Sessions
12:45-3:15 PM

Good bye March

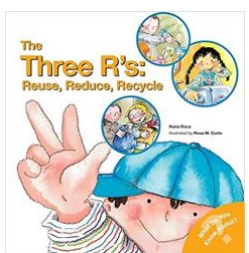

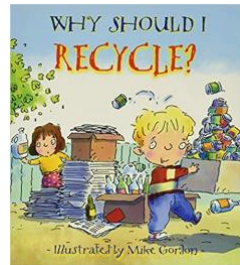

What a perfect month to take on our “Buildings Study”. The month was long and so was our theme. The children learned so much from what a building is, to drawing blue prints, pouring foundations, exploring building materials and tools, building/copying famous buildings from around the world to learning our addresses for the buildings/homes we live in. We learned names of people who do a variety jobs in the building process...plumbers/pipes, architects/blueprints(design), carpenters/woodwork, painters, masons/concrete, etc. We even demolished buildings pretending to be wrecking balls with our suspended equipment. Mathematics was everywhere during this theme, measuring, balancing, weight and balance, and sequencing. Concept knowledge around sizes, quality and position including, tall, taller, tallest,; short, shorter, shortest, heavy/light, wide, wider, widest, soft/hard, rough and smooth were all observed and manipulated in real time with real experiences. Favorites included: The Three Billy Goats Gruff and “London Bridges falling down”our Bridges focus. Everyone enjoyed the reading, sequencing and artwork from The 3 Little Pigs! Obstacle courses included dressing Bob the Builder for the construction site!

Hello Spring, Hello April

April is certain to be a month full of changes specifically in weather, clothing we wear, and outdoor play. To compliment this growing and changing time of year we will begin a study about recycling! Children will have hands on opportunity to Reduce, Reuse and Recycle and learn how recycling helps care for our planet, Earth.

Check out these books:

Rylee H 4/13
Daniel M 4/17
Jaxson J 4/24
Devanne S 4/30

- Milk bottle caps (cleaned)
- Frozen food tray/container (cleaned)

School Committee Meeting...Tues. April 6th
7:00-9:00 PM

Kindergarten Information Night....Thurs.
April 8th 6:30-7:30 PM (virtually)

Burrell PTO meeting...Wed. April 14th 7:00-
8:00 PM(virtually)

April Break School Closed...Mon. April 19th -
Friday, April 22nd

Please help kick off our reduce, reuse,
recycle study by donating some of the
following items:

- Newspaper
- Empty toilet paper/paper towel rolls
 - Empty baby food jars
 - Empty and cleaned yogurt containers (small sized)
