Doyle

## A MESSAGE FROM THE PRINCIPAL

As you may know, the federal Every Student Succeeds Act (ESSA) requires districts to annually distribute district and school report cards to the parents/guardians of all children enrolled in district schools. The report card for 2020 was recently released. Just as your child's report card shows how they are doing in different subjects, the district and school report cards are designed to show families how our schools are doing in different areas. A link to the 2020 district and school report cards are now available at:

[Burrell School Report Card](#)

The report cards include multiple measures of district and school performance, more than just MCAS\* scores.

We hope that you find this information valuable. We value the partnership that contributes to the success of our students and school, and we are grateful for your continued support.

*Mrs. McCarthy*

\*Please note, since no MCAS tests were administered during the 2019-2020 school year, data reflects previous years. Also, data for the elementary and middle schools are not school-specific, and instead provide a composite result of the 3-8 experience.

## Preschool Lottery Applications

Preschool lottery applications for the 2021-2022 school year are available at the main desk in the Burrell School. Applications are also available on the Foxboro Public Schools' web site. Under the District Information tab, click on the Project Early Preschool.

The preschool lottery will take place on Friday, March 12, 2021. Applications are being accepted for children ages 3-5. Please call Dianna Parr, Preschool Coordinator, at 508-543-1605 for more information.
