November 26 & 27
No School
Thanksgiving Break

A MESSAGE FROM THE PRINCIPAL

At the end of the month you will have the opportunity to meet virtually with your child's teacher. Conferences provide a wonderful opportunity for us to share information and seek ways to mutually support children's growth.

Working collaboratively helps us to ensure that children receive the best possible educational experience. At the same time, it is important to keep in mind that parents and teachers each play a different role in children's lives. As parents, no one knows your child the way you do. Consequently, you have a responsibility to advocate for your child's needs. Teachers also know your

children, but in a different capacity. Teachers see children as they respond to new academic challenges and as they interact with a wider peer group. While the teacher holds your child's best interests at heart, they have the responsibility to advocate for the needs of all of the children in their class. Remembering our different roles can be useful in helping us to understand each other and keep the lines of communication open.

Mrs. McCarthy

A Note from the Nurse

Please don't forget to submit proof of your child's flu vaccine to me either via email or send in a hard copy with your child to school. Don't hesitate to contact me with any questions.

Also, we are in need of the following clothing items if you have any to donate: Winter coats, snow pants, snow boots, tall socks, shoes/sneakers (all sizes). We appreciate your generosity.

Thank you!
